

Aadithya Prem
Grade 10 Student
Gwinnet School of Math Science & Technology

NATYARPANA ACADEMY OF DANCE, dedicated to spread the expressive ways of the dance forms that most truly reflect India's hoary tradition. Indian culture is diverse and so are the content and style of Indian classical dances.

Aadithya Prem specializes in Bharathanatyam, originated from Tamil Nadu, South India, considered to be a 'fire dance' — the mystic manifestation of the metaphysical element of fire in the human body.

Pioneered by Aadithya Prem, Natyarpana Academy of Dance offers classes in Bharathanatyam, Indian folk dances and cinematic dances. Aadithya Prem is also working with Ms Mahek Shah of Mahek Dance Academy and is associating with Ms Kumudh Savla of Nrithya Natya Kala Bharati.
